

ASTAC has chosen! Our successful candidates for the position of ASTAC Train the Trainer for the S Endorsement program are: Christine Van Neck of Elk Island Public Schools and Kelly Frere of Chinook's Edge Schools

Both Christine and Kelly have a wealth of experience in training school bus operators in the classroom and in the field. They are both SDIs with Alberta Transportation and their physical locations will lend well to training in the Province.

Congratulations to both of them, we know they will do an amazing job with our trainers in Alberta.
